“NEW RESIDENT INFO” NOW FEATURED ON TOWN WEB SITE

Herndon, VA (October 21, 2009) –Residents newly arrived in the Town of Herndon may now find all of the information they need to acclimate to their new home on the “New Resident Information” page of the town’s Web site, www.herndon-va.gov.

Information and direct links that enable residents to set up utilities, change addresses, register to vote – even to license their dogs – are now available in one location on the town’s site. The “New Resident Information” page is located in the “About Herndon” section of the site and is also offered as a Quick Link from the homepage.

“Moving into a new location can be overwhelming, with all of the details that need to be taken care of,” said Mayor Steve DeBenedittis. “This new feature on the town’s Web site is designed to ease the transition of our new neighbors into their new homes and into the community.”
